UCP Gen Pharma AG v Mesoblast Inc [2012] FCA 210 On 15 March 2012, Justice Jessup of the Federal Court of Australia exercised his discretion to allow UCP Gen Pharma's "Revasc" pharmaceutical trade mark—indicated for use in the prophylaxis and treatment of venous thrombosis for hip and knee operations—to remain on the Register of Trade Marks, notwithstanding the fact that the mark had not been used in Australia during the statutory three year "non use" period. In reaching this decision, Justice Jessup referred to and applied the principles relevant to the exercise of the court's discretion as recently clarified by the Full Court in
