What I don't understand is how you're not even more popular than you are now. You're just so intelligent. You know so much about this subject, made me think about it from so many different angles. It's like people aren't interested unless it has something to do with Lady Gaga. Your stuffs great. Keep it up.

Although low prices for base metals (except copper) and precious metals have hurt the industry, the North American Free Trade Agreement (NAFTA) was expected to have a significant role in attracting foreign investment to the mineral sector.

Some Western allies, foreign investors and Turks had seen an AKP coalition with the CHP as the best hope of easing sharp divisions in the EU-candidate nation, hoping it might keep Mr. Erdoğan's authoritarian instincts in check.

About 13 percent of people who signed up for health insurance coverage in 2015 under the Affordable Care Act have fallen off the rolls, many because they failed to pay their share of premiums, the Obama administration said Tuesday.

If the patient has a lesion, multiple sclerosis or other conditions that can cause neuropathic pain in
the trigeminal nerve, the TN is said to be secondary or symptomatic, rather than primary or idiopathic (Melzack, 1992).
