and this was all four of our first times doing it we didnt do any other drug but my point is
everyones different and our bodys react different we all did it and shes the only one in the
hospital we learned our lesson and wont do it again, but it aint good for u obviously theresa
problem with this stuff they need to do something about it cause people are gettin
hooked on it and getting hurt from it how can they sell shit like that to mess people up if
there goin to do that they might as well sell the real shit but im done bitchin just wanted to
share my story DONT DO IT
